The Courtyard of My House

Children's Song

(English)

The courtyard of my house Is special:
When it rains, it gets wet As the others do.

Duck down,
And duck down again
The little ducked-down ones
Know well how to play.

H, I, J, K, L, LL, M, A, If you don't love me Another girl will.

Yellow chocolate, Run, run or I'll catch you, Stretch, stretch For the devil must pass by.

Game Instructions

The children form a circle holding hands and walk around singing the first part of the song. When they reach "agáchate y vuélvete agachar" they should squat twice. When they reach "chocolate" they stop walking around and go forwards raising their arms. Then on "estirar..." they go backwards stretching their arms to form a large circle without letting go of each others' hands.
